| Independent living difficulty | 50,169 |

Service Delivery Map

The map below represents the resident zip code location of registered consumers that received one or more services during SFY 2010.

House File 45

House File 45

- “DEPARTMENT ON AGING – PLAN FOR REDUCTION OF AREA AGENCIES ON AGING. The department on aging shall develop a plan for reducing the number of area agencies on aging in the state, to be effective beginning July 1, 2012. The department shall submit the plan to the standing committees on human resources of the senate and house of representatives and the joint appropriations subcommittee on health and human services on or before December 15, 2011.”

Based on the information obtained through the above communications, the Department recommends that a specific plan be provided to the aging network as soon as possible in regards to reorganization and the establishment of new planning and service areas. The Department recommends the following actions:

Department Proposals:

- *Proposal:* Merge existing planning and service areas to create six new planning and service area regions.
- *Basis for Proposal:* Merging already existing planning and service areas creates efficiencies and allows the Department to meet the deadline mandated by House File 45.

Department Proposals:

- *Proposal:* Adopt one of the proposed maps, attached hereto as “Option 1” and “Option 2”, to implement the reduction in planning and service areas.
- *Basis for Proposal:* The attached options create the most equitable distribution of population and funding, as illustrated by the data provided in the attachments.

Department Proposals:

- *Proposal:* Adopt one of the proposed maps, attached hereto as “Option 1” and “Option 2”, to implement the reduction in planning and service areas.
- *Basis for Proposal:* The attached options create the most equitable distribution of population and funding, as illustrated by the data provided in the attachments.

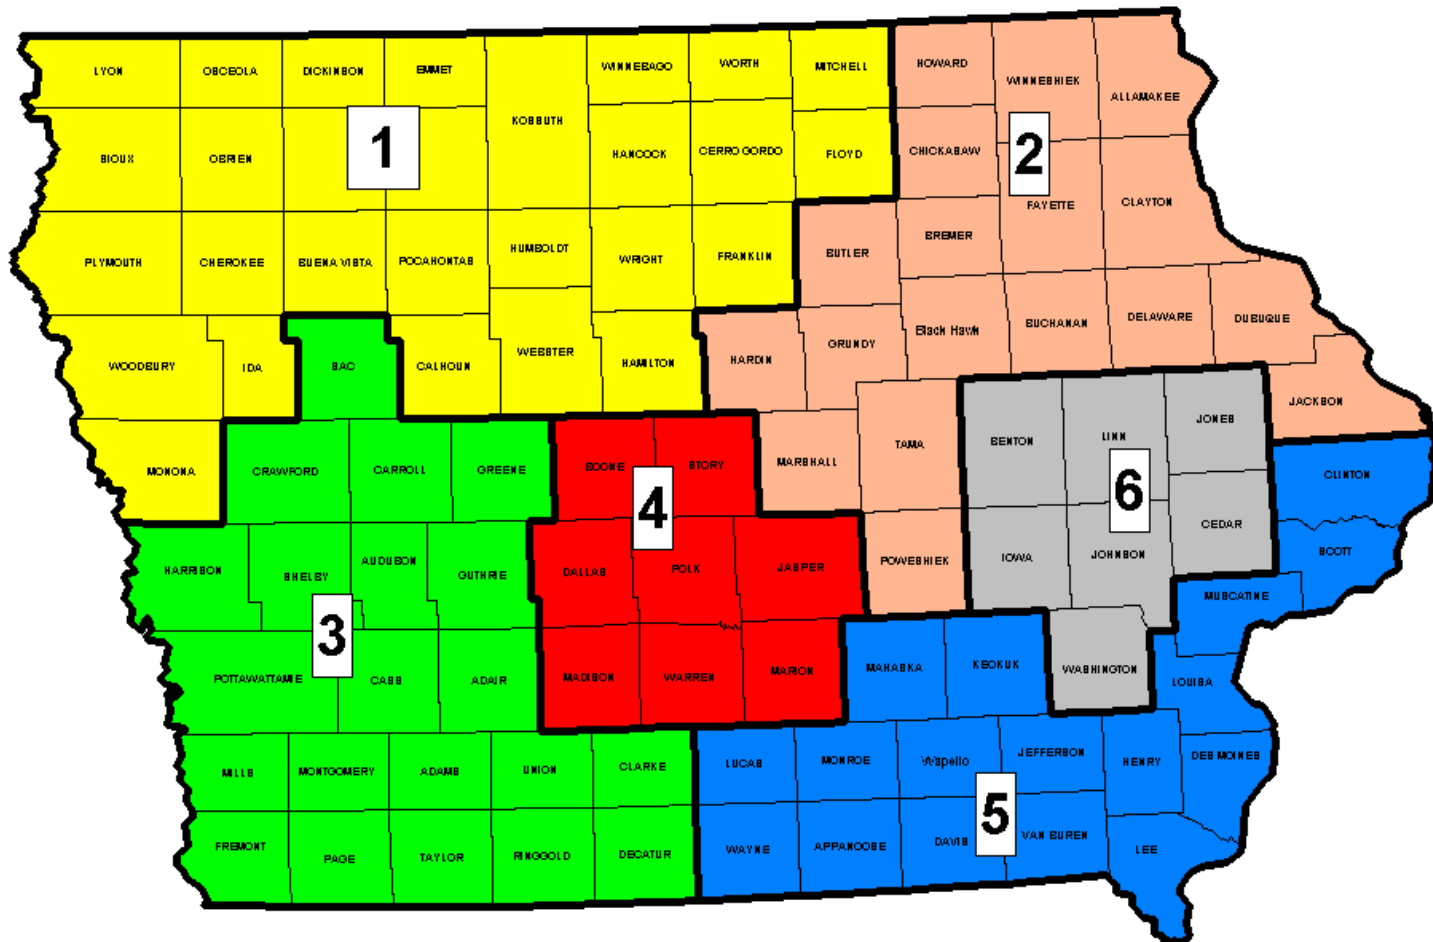

Department Proposals:

- *Proposal:* The Department proposes that a Request for Proposal (RFP) be utilized to realign the planning and service areas pursuant to the chosen option, thereby reducing the area agencies on aging to six.
- *Basis for Proposal:* Utilizing the request for proposal (RFP) process will provide fair competition among service providers and ensure that the most efficient and skilled entity is chosen to serve as an area agency on aging in each region.
